ARMY BAND'S VISIT

356TH INFT. ORGANIZATION WAS HERE FROM CAMP FUNSTON

GAVE STREET CONCERT

Is On Tour In Aid of Liberty Loan and Red Cross Fund—Men Are Enthusiastically Cheered

Maryville enjoyed a short visit this morning between trains from the 356th Infantry band of Camp Funston. The band, on its way from Chillicothe where they appeared yesterday, arrived in Maryville over the Wabash and left at noon for Hopkins where they will play for the big patriotic celebration this afternoon and evening. The tour, lasting three weeks, is for the purpose of aiding towns and cities that are raising Red Cross funds and Liberty Loan subscriptions. The twenty-eight members of the band are under the direction of Lieut. Jos. A. Cooper, chaplain, of Kansas City, in charge of the tour.

After their arrival this morning and baggage was transferred to the Burlington depot, a march uptown was followed by a concert on the streets, lasting for nearly an hour. A feature of the open air entertainment was the singing of Corp. Chas. Adams, drum major and vocalist.

The appearance of the band was the cause of much favorable comment the men presenting a clean-cut appearance and a springy step that betokened health and vigor. As a musical organization the 356th Infantry band ranks with the best, its concerts at Funston being eagerly looked forward to, as the organization has more than the usual number of soloists.

Lieut. Cooper, soon after the band's arrival, was called on to visit the Normal and High School and at both places made a short address filled with pep and optimism and was heartily cheered by the students. The band is visiting the sections from which most of its members come and will return to Camp Funston following an engagement tomorrow at Savannah.

The personnel of the band is as follows:

Lieut. Jos. A. Cooper, chaplain, Kansas City; in charge of tour.
John A. C. Anderson, conductor.
Sgt. T. E. Dillinger, Kirksville.
Mus. J. L. Hammond, Marshall.

MARYVILLE GOES TO HOPKINS

Big Crowd Is There This Afternoon to Help Make Patriotic Celebration a Success

A large number of Maryville folks are in Hopkins this afternoon and others will go tonight to participate in the big patriotic celebration in the north county town. Maryville wants Hopkins to know that it is interested in and wants to help in anything that is for the good of Hopkins, just as an unselfish neighbor should, and that's why the road to Hopkins this afternoon was crowded with automobiles loaded with Maryville folks.

The 356th Infantry band also proved an attraction, for following the short concert here this morning the organization was voted A No. 1. Besides special numbers this afternoon and tonight by the band and its soloists, Lieut. Jos. A. Cooper, chaplain, in charge of the band tour, will make an address.

The following Maryville men each drove a carload of friends to Hopkins this afternoon.

E. E. Williams, J. F. Hull, H. C. Todd, F. P. Robinson, C. W. Yehle, Lawrence Schumacher, H. L. Raines, J. F. Montgomery, Horace F. Leet, Dick Strong, Dick Wray, W. C. Pierce, Fred Newlon, J. E. Bailey, E. L. Townsend, D. E. Hotchkin, Ben Chandler.

BUT NO DRINKS WERE SERVED

Old Saloon Room Did Duty Today In Behalf of the Ladies of the First Christian Church

The ladies of the Christian church opened up a stock of goods in the old Kane saloon building this morning, but there was no rail on which to rest your foot while making your purchase, nor did the dispensers ask "what'l your's be," or "have a little ginger ale on the side." In fact there was an absence of wet goods of any description, for it was a rummage sale.

There were a good many men visitors this morning—just dropped in out of curiosity—or was it habit—when the doors were opened. "Do you remember the last time you were in here?" a lady asked a man she knew as she wrapped up a bundle of clothes. The man looked around the room sort 'o sheepishly—and longingly—and said he guessed it was the night the place went out of business.

The women did a rushing business during the morning with the demand for rummage goods being better than ever before.

VOTED FOR A JOINT SCHOOL

Proposal to Consolidate Districts at Harmony and at Ravenwood Get Good Majorities

At two elections yesterday for consolidated school districts, one at Harmony and another at Ravenwood, the proposition was carried by good majorities in both cases.

At Harmony the proposal was to consolidate five school districts for the purpose of having one high school. The vote resulted in 53 being for it and 31 against. It is learned that the voters who favored the plan will provide, at their own expense, the new building.

At Ravenwood the proposal to consolidate certain school districts was favored by a large majority of voters, the result standing 125 for and 48 against. County Superintendent Bert Cooper spent most of the day informing the voters as to the law in the case.

A VISIT ENDED IN DEATH

M. K. Thompson of North Platte, Neb., Following Visit In Maryville, Dies at Daughter's Home

M. K. Thompson of North Platte, Nebr., who has been visiting in Maryville with his brothers, John and James Thompson, and his sister, Mrs. S. Cox, died suddenly at 9 o'clock yesterday at the home of his daughter, Mrs. Carlyle Merritt of Maitland.

Mr. Thompson was 77 years old and besides his two brothers and sister in Maryville is survived by seven children. They are Mrs. Merritt of Maitland, Mrs. Leslie Hughes of Mound City, Mrs. Elizabeth Scott of Bedison, Will Thompson of Pickering, Mrs. Ida Chaney of Buena Vista, Colo., a daughter at North Platte, Nebr., and a son, James Thompson, of North Platte, with whom he made his home.

Funeral arrangements have not been made.

Sam Thompson of Ravenwood is in Maryville on business today.

CAMPAIGN NEAR END

NODAWAY CO. HAS GONE 200 PER CENT OVER BOND QUOTA

SCOUTS WORKING HARD

Tomorrow Is the Last Day for Subscriptions—Scoutmasters Will Send Messenger to Anyone Overlooked

BULLETIN.

Washington, May 3.—With the third Liberty Loan drive ending tomorrow night, nearly $162,000,000 still remains to be subscribed, the treasury department announced today.

With the campaign for the third Liberty Loan practically over in Nodaway county, Chairman W. C. Pierce reports that every township in the county has over-subscribed its quota from 150 to more than 200 per cent. Maryville and Polk township, with a quota of $117,000, will reach nearly $150,000. Every town in the county is flying an honor flag. Chairman Pierce has been busy compiling the official figures and will have them ready to give to the press next Monday.

The Boy Scouts are busy canvassing the city this week in an effort to see that no one is overlooked who may desire to subscribe. So far the results of their labors have not been as productive as in the second Liberty Loan for the reason that the canvass of the older committees has been most thorough, the ground having been gone over carefully during the first days of the campaign. The members of Troop I have reported nearly $5,000 in subscriptions up to today, the greater number being in small bonds. The canvass will end Saturday night for the Scouts, when a whirlwind finish will be made and those who have already subscribed will be asked to increase their subscriptions. Any persons who desire to subscribe to the third Liberty Loan before the campaign closes can call Scoutmaster A. M. Crooke at the Democrat-Forum office or Marve Peery at the Sisson Loan and Title Co., and a Scout will be sent at once to take the application.

Subscriptions to the third Liberty Loan in the tenth federal reserve district, officially reported to the Federal Reserve Bank at Kansas City, Mo., at the close of business Tuesday, April 30, were slightly below 150 million dollars, exceeding the district quota by nearly 20 million dollars.

The official subscriptions turned in show that all of the seven states except Colorado and Oklahoma have exceeded their quotas, and these two states are very close up and probably will go over before the end of the present week.

COUNCIL MEETS TONIGHT

Readjustment of Salaries Is Expected to be Taken Up—Appointments to be Made By the Mayor

The city council meets tonight and will take up the matter of readjusting salaries to meet the demand for a curtailment of expenses, following the action of the state tax equalization board in cutting assessment returns. Just what the meeting will decide to do in the matter Mayor W. O. Garrett does not know. It is also expected at the matter of appointments will also be taken up by the mayor.

FRANK M'DOUGAL WRITES

A Letter Received From Him Today From Somewhere In Germany —He Is Well and a Prisoner

Mr. and Mrs. R. L. McDougal are in receipt today of a letter from their son, Frank McDougal, who is a prisoner of war in the hands of the Germans. The letter, while brief, contains the cheering information that at the time of writing he was well and getting along all right. The letter is dated February 3, but the postmark does not tell where it came from. It reads as follows:

"Sunday, Feb. 3, 1918.

"Dear Folks:—I hope you have gotten my other three letters telling you where I am, but if you didn't, I will tell you I am a prisoner of Germany.

"I am in the best of health and am getting along all right.

"I hope you are all in the best of health, and do not worry about me.

"Love to all.

"Your loving son,
"FRANK."

$18,000 IS RAISED

FOR METHODIST COLLEGE ENDOWMENT FUND IN NODAWAY

SET GOAL FOR $25,000

At a Meeting at First M. E. Church Last Night of Ministers of County, Plans Made to Close Campaign

Members of the First Methodist Episcopal church are congratulating themselves on the splendid showing made in Nodaway county in securing pledges for the endowment fund for Central Wesleyan College at Cameron, Mo., and for which a Jubilee campaign has been under way for some weeks. At a meeting at the First M. E. church last night, attended by Rev. Cameron Harmon, president of the college, Dr. W. P. Burris and ministers of the denomination from all over the county it was announced that Nodaway county had subscribed $18,000 to the fund with the campaign not yet ended. A goal of $25,000 has been set to be reached by next Thursday. In the event it is reached this county will be honored by having a chair in Central college named for it, the Nodaway endowment being for that particular chair. A special effort will be made by ministers and laymen in the county to reach the desired goal.

Besides the $18,000 already pledged it is learned that a single subscription from this county of $25,000 has been made to the endowment fund with another of a similar amount in prospect. The name of the first large donor is being withheld by the committee until the campaign has ended.

Rev. Harmon expressed himself last night as greatly pleased with the work in this county by both ministers and laymen and the amount that had been subscribed to the endowment fund.

DEATH OF GRAHAM RESIDENT

Mrs. Anna Belle Danes Succumbed to Stroke of Paralysis—Has Lived at Graham for Nearly Forty Years

Mrs. Anna Belle Danes, wife of T. N. Danes of Graham, died at 4:30 o'clock this morning at her home of a paralytic stroke. Mrs. Danes has been in poor health for the last three years, but only seriously ill since last Tuesday.

Mrs. Danes was born in Belmont county, Ohio, and lived there until after her marriage, April 10, 1880, to Mr. Danes, when they immediately came to Nodaway county and settled on their farm near Graham. There they lived for fifteen years and then moved to Graham where they have since lived.

Mrs. Danes is survived by her husband, one sister, Mrs. J. J. Judy of Graham, and several nieces and nephews. One niece, Mrs. Earl Barcus, lives at Graham, and one nephew, Dallas Judy, lives at Fillmore.

Funeral services will be held at 2 o'clock Sunday afternoon at the Graham Methodist church conducted by Rev. S. D. Harlan, assisted by Rev. Croy. Burial will be in the Prairie Hill cemetery at Graham.

PLAN FOR R.C. DRIVE

CAMPAIGN FOR WAR FUND WILL START MAY 20

MEET TUESDAY NIGHT

Jos. Jackson, Jr., District Chairman, Calls County Organizations to Get Ready for Coming Campaign

With the Third Liberty Loan campaign practically finished in Nodaway county, preparations are already under way for the coming drive of the Red Cross Society for a second war fund, the campaign to begin on May 20 and end on May 27.

District chairman, Joe Jackson Jr., has called for meetings in all of the five counties of this district to be held on next Tuesday evening and county chairman, H. W. Montgomery, of Skidmore is busy today calling his workers.

Those who will attend the meeting next Tuesday night besides the officers of the local chapter will be:

County Chairman H. W. Montgomery, Skidmore.

Graham—Mrs. M. M. Rhoades.

Guilford—Carl Wray, Dr. Barnett, E. C. Starin, Rev. Lochart.

Skidmore—F. H. Barrett and W. G. Reynolds.

Hopkins—W. L. Robb and Chas. E. Donlin.

Clearmont—John H. Clary and L. C. Livengood.

Barnard—S. H. Conlin, John A. Fields and Clyde Perkins.

Burlington Junction — Horace S. Weaver, R. D. Corken and Walter Mendenhall.

While it has not yet been announced it is expected that Nodaway's quota will be approximately what it was in the first drive, $30,000. The same organization that participated in the first campaign will be used to work during the coming campaign.

Since the first the people of the county have liberally supported the work of the Red Cross, giving unstintedly whenever called on and it is not too much to expect that the quota will be largely exceeded.

STUDY SUGAR SUBSTITUTES

No More Classes Will Be Formed After Next Tuesday—Prepare for the Canning Season

The uses of syrups and honey as sugar substitutes has been the study this week of the women attending the government training school for housewives conducted in the basement of the Elks club.

On Tuesday afternoon Miss Hettie Anthony, demonstrator for the state food conservation bureau, was present and talked to the class, explaining clearly the present food situation and the necessity of the women learning the use of these various substitutes before a more serious condition develops.

Miss Bertha Beal, county chairman, has announced that no more classes can be formed after next Tuesday and the chairman of each Red Cross auxiliary in the county, who has been looking after the work in her district, has been so informed. This is done in order that the first course of instruction may be over before the canning season.

A similar lesson to that taken in Maryville has been given at the various county classes. Miss Ora McMillen of the Normal faculty instructed the Hopkins class Tuesday, and Miss Katherine Carpenter took charge of the Parnell class Wednesday afternoon. Mrs. Herschel Houston of Burlington Junction, Mrs. J. E. Rush and Mrs. L. E. Strader of Barnard were in Maryville Wednesday taking extra instruction to aid in their home classes Thursday.

In future the recipes used in demonstrating will be given out only in the classes. The demonstrations this week were given yesterday by Miss Dale Hulet and Miss Greta Kemp on pineapple sherbet and taffy, Wednesday by Miss Anna Bainum and Mrs. E. T. Dale on date ice cream and caramels; Tuesday by Miss Laura Curfman and Mrs. E. T. Dale on date ice cream and maple fondant, and Monday Mrs. E. O. Boone instructed the colored women on sherbet, using syrup as a sugar substitute.

Mrs. Eunice Parr, Mrs. Carl Wray and daughter, Mary, and Mrs. Mary Hildebrant of Guilford drove to Maryville in the Parr car this afternoon.

W. E. Goforth went to Kansas City today for a few days on business.

Today's Casualty Lists Contains the Names of Eighty-eight Men—18 Were Killed In Action

Special to The Democrat-Forum.

Washington, May 3.—The practice of publishing the emergency addresses of soldiers contained in the casualty lists was resumed today when the war department announced a list carrying eighty-eight names. Eighteen were killed in action, five died of disease, three of accidents, one of wounds two missing, one being Lieut. Lewis M. Edens of Cabool, Mo., two were severely wounded and fifty-eight were slightly wounded.

ONE DELIVERY ONLY

RETAIL FOOD DEALERS AGREE TO AID FOOD COMMISSION

BUT ONE SERVICE DAILY

Housewives Who Fail to be Governed By New Rule Will Have to Carry Their Bundles Home

Housewives will now make their arrangements to get along with but one delivery daily by grocers and other food retailers.

In compliance with a request of the food administration for conservation of labor and time, grocers, meat market men and retail food dealers will inaugurate a one-delivery-a-day system, beginning on May 15. At a meeting last night of representatives of these lines the plan was discussed at length, the unanimous decision being reached that the plan should be put into effect. The only delivery during the day, beginning on the date named, will be made at 8 o'clock in the morning.

The meeting was held at the direction of County Food Administrator F. P. Robinson, and each dealer signed an agreement as above stated. No other lines of business other than dealers in foodstuffs were included in the agreement made for the reason that the food administration undertakes to control none but this line. Failure to observe the rules of the agreement will bring the offending dealer or dealers to punishment by the government.

Following the agreement by the food dealers, dry goods stores, hardware dealers and others not included are expected to form a similar agreement among themselves to put the one-delivery-a-day plan into effect.

REPORTED GERMANS MAY ABANDON FLANDERS OFFENSIVE FOR DRIVE ON ITALY

BRITISH HITTING BACK ON THE PICARDY FRONT

The French, too, Are Advancing, the War Office Reports, With Successes Achieved on the South End of the Battle Line

Special to The Democrat-Forum.

London, May 3. — With artillery roaring along the Flanders front the British struck again in the sector at Villers-Bretonneux on the Picardy front, gaining local advantage, the war office reported today. Artillery on the Flanders line is especially active in the region of Givenchy, near Locre, and south of Ypres, the statement said. The British also made successful raids south of Arras and east of Stvenani. The Germans are expected to renew their Flanders offensive without much further delay, is the view taken by the correspondents at the front. The failure of the drive on Monday has had a depressing effect on the Germans and enemy prisoners complain that too much is expected of them, as there is no abundance of reserves.

Correspondents with the Italian army on the southwestern battle front predict heavy fighting along the Piave river. It is believed the Germans will insist on an Austrian offensive against the Italians in an effort to relieve the Germans of the pressure on the western front and to prevent the further sending of Italian forces to France. Some correspondents corroborate the report printed in Berlin that the Germans may abandon their offensive in Flanders and transfer the drive to Italy.

Paris, May 3. — A French advance south of Villers-Bretonneux on the Picardy front was reported by the French war office today. Another French success was achieved further south in Hailles Castle sector where the French delivered an attack, capturing 100 prisoners. The Americans were reported recently fighting with the French near Villers-Bretonneux, but whether they took part in the attack mentioned is not known.

The lull over the western battle lines continues. The expetced German attacks on the Ypres and Amiens fronts have not been launched. Here and there the opposing artilleries have broken forth into wild bombardments, such usualy as are preludes to massed attacks on the Allied lines, but they have died out after a few hours.

Local operations have been carried out for the purpose of straightening lines and raiding the enemy's positions but they have not developed into anything unusual.

The Germans must attack soon or acknowledge their defeat in their ambitious attempt to rush the allied armies.

The present phase of the battle is not unlike that before Verdun two years ago after the first German rush had been stopped, and even attempts to carry local objectives had met with defeat.

Germany Has Reserves.

Germany has lost heavily but the emperor still has reserves to throw into the fight. The defeat Monday on the Meteren-Voormezeele line southwest of Ypres has taught the Germans that the Allies are prepared to stand their ground and there seems little inclination at the present moment to

DELAY IS INEXCUSABLE.

Those broken down in health and strength, or suffering from physical debility, as the result of overwork, or violation of the laws of health, creating visible or invisible weaknesses which are constantly sapping the strength and exhausting the system, should not delay the proper treatment to check and cure these dangerous afflictions. They should consult a specialist, whose experience has been proven to be equal to the task. Such a one is Dr. Prettyman whose system of treatment not only checks growing weakness but builds up the shattered system and gives strength and energy to the entire body. Consult him free at Linville Hotel.

BARBERRY OR BREAD, WHICH

Well Known Shrub Is Charged With Spreading Rust to the Detriment of Wheat and Other Crops

There has been discussion among residents and farmers of this county concerning the barberry bush, a shrub common in this section, as to its harmful influence on surrounding plant life. The following article by Harry P. Rigdon in the Nebraska Farmer of May 4 gives some interesting information:

The loss of wheat and oats in Nebraska from disease is costing every farmer the price of a good cow; in 1917 this loss was more than $10,000,000, or about $84 for every farmer in the state. In wheat alone Nebraska lost last year more than $1,800,000, or 919,000 bushels, from diseases that some day will be controlled at least to a limited extent.

Nearly one-third of this wheat loss in Nebraska was caused by a disease known as black rust or stem rust. This disease alone caused a loss of 281,000 bushels, or $562,000 last year, which would buy sixty-one $100 cows for every county poor farm in the state.

The stem rust fungus, in addition to infecting wheat, attacks many other grains and wild grasses and is harbored in one stage of its development by the common and purple-leaved barberry bush. Every bush of this kind planted in the United States makes it that much easier for stem rust to destroy grain crops. It seems worthy of our consideration at this time primarily because of its destructive effect upon our much needed wheat crop. If the life cycle of the stem rust can be broken by preventing the common and purple-leaved barberry from growing in our wheat region the ravages of this disease can be materially lessened.

As an ornamental shrub the common barberry is far inferior to the small-leaved or Japanese barberry (Berberis thunbergii) which is entirely immune from rust and which can be planted and grown with perfect safety. Which shall we sacrifice, barberry or bread?

All grain rusts are caused by fungus parasites. The rust patches on the grain plants are aggregations of vast numbers of spores of the fungus. These spores are blown about by the wind thus enabling the rust to spread. When the spore of the red rust stage falls on a wheat plant it begins a new growth as soon as moisture and temperature permit. It sends out a thread-like tube which enters the leaf tissue through a breathing pore. This thread grows and permeates the entire wheat plant and finally bursts through the surface and produces new wheat patches. This entire process may take place in a week.

The fact that barberry bushes are not near wheat fields does not excuse them because the spores may be blown many miles. Nebraska's barberry may have influence on North Dakota's wheat crop even after every bush has been eradicated from North Dakota. As patriotic Americans, destroy your barberry.

SCHOOLS TO FIT WAR NEEDS

Must Be Altered to Meet Some Great Changes, Declares Mrs. C. C. Bradford, President of N. E. A.

Hot Springs, Ark., May 3.—"The hope of saving the world from a repetition of the autocratic slaughter of the past three years lies in the public schools of the United States and other civilized nations," declared Mrs. C. C. Bradford, president of the National Education Association, in an address here today before the National Federation of Women's Clubs.

"Our schools must be altered to fit the great changes during and after the war. Democracy must be taught as constantly and as thoroughly as we teach reading and arithmetic.

"Autocracy must be painted for what it really is so that never again shall the world be plunged into such a struggle; so that preparations for wrecking civilization, such as Germany made for the last forty years, shall be recognized for what it really is and means taken to save ourselves from its menace.

"We must begin early to train the child toward civilized treatment of other human beings while at the same moment he is taught to so prepare that he can answer the call of his country on a moment's notice should the necessity arise for defending her and her ideals.

"For this purpose the National Educational Association has appointed a committee of twenty-six of the leading educators of the country to formulate a plan for the new kind of education after the war and to this end a meeting of the departmental heads and this committee will be held in Washington. In order that the nations of the world that stand for humanity may be more closely allied in this important matter—the training of the next generation—we have cabled England, France and Italy asking for cooperation and a future co-ordination of the school systems of those countries with our own."

6 O'clock Dinner.

Mr. and Mrs. H. S. McDowell and son, Clark Edwin, entertained Mr. and Mrs. Walter Wray and son, Donald, Richard, at 6 o'clock dinner Thursday evening.

Mrs. Finch Coming.

Mrs. Robert L. Finch and son, Robert, Jr., of Kansas City, will arrive tonight for a week-end visit at the home of Mr. and Mrs. Fred P. Robinson. Her husband, Captain Finch, will lecture at the First M. E. church Sunday afternoon under the auspices of the Maryville Red Cross auxiliaries.

Entertain Bedison H. C.

Mr. and Mrs. A. P. Kidder and family most successfully entertained the members of the Bedison H. C. and their families Saturday night. Music and games furnished the entertainment and a luncheon was served at the close of the evening. Honors were awarded to Fred and Lola Coulter and Dale Stewart.

Elmo Red Cross.

The Elmo auxiliary of the Red Cross met on Wednesday, April 24, with 28 members present and completed the following dressings: 300 8x4 gauze compresses, and 65 many tailed bandages. At a meeting on Wednesday, May 1, with 38 members, 70 many tailed bandages and 12 bed shirts were completed. This auxiliary also furnished yarn for three sweaters to be knitted for Will Merritt, Roy Spoor and Elza Van Fossen. The women of the Mt. Tabor and adjoining districts sold all the eggs gathered last Wednesday, and turned the money which amounted to $52.15, to the Red Cross.

Presbyterian Society Meets.

The Woman's Missionary Society of the Presbyterian church met Thursday afternoon at the home of Mrs. Florence Staples. The topics studied were "Latin-America," and Mexicans in the United States. Miss Lizzie Sawyers conducted the opening devotional exercises. Interesting talks and papers were given by Mrs. Gallatin Craig, Mrs. S. G. Gillam, Mrs. A. R. Sage, Mrs. J. A. Ford, Mrs. C. E. Wells and Mrs. Staples. A piano solo by Mrs. Wells closed the program. The assistant hostesses were: Mrs. S. A. Celle, Mrs. O. L. Holmes and Mrs. F. M. Martin and Mrs. C. A. Wadley.

Entertains W. F. M. S.

Mrs. W. F. Burris entertained the members of the Woman's Foreign Missionary Society of the First Methodist church yesterday afternoon at her home on South Mulberry street. Mrs. George Moore was the leader of the program. Others taking part in that work were: Mrs. Charles Gaugh, Mrs. Emma Eckles and Mrs. Wamsley. During the business hour it was decided that refreshments should not be served hereafter, and the money used by the hostesses entertaining should go to a French orphanage. Mrs. F. M. Compton was elected to fill the place of treasurer during the rest of the year. About twenty-five members and three guests were present. The guests were: Mrs. Honnold, Mrs. Satterlee and Mrs. E. C. Dodd, of Denver, Colo., who is visiting her sister, Mrs. J. F. Montgomery.

Social Hour Club.

Mrs. Roy McMullen was hostess at the meeting of the Social Hour Club Wednesday afternoon. Roll call was answered with Irish jokes. After the business meeting the members enjoyed a social hour. During this time refreshments were served by the hostess, assisted by her mother, Mrs. George Porterfield. Members of the club present were: Mrs. Rich Spurgeon, Mrs. Edgar Houston, Mrs. Charles Fakes, Mrs. Will Spangler, Mrs. Theo Gray, Mrs. Mert Morris, Mrs. C. A. Loch, Mrs. George Porterfield, Mrs. Caples Wilson, Misses Annice and Mary Scott, Mrs. E. O. Gray and baby, Beulah Marie, Miss Cecil Porterfield, Miss Irene Gray, Misses Edith and Lesta Spangler, and Mrs. J. L. Hanna. The next meeting will be at the home of Mrs. George Porterfield. Roll call will be answered with poems about mother and father.

OBSERVE CHILDREN'S WEEK

Nation-wide Program Has For Its Object Provision for the Religious Education for Boys and Girls

The children's division of the International Sunday School Association issued a call for the observance of a children's week, May 5 to 12. The object of this observance is to assist parents and teachers of communities to provide religious education for the children under their care. It is undertaken with the hope of causing parents, teachers and adults everywhere to know the imperative necessity for meeting the spiritual needs of all children and in arousing them to make new and larger efforts to provide Christian education for the children in all the homes, Sunday schools and churches of the North American continent.

The children's bureau of the department of labor, working with the child welfare department of the council of national defense, have designated the year, April 6, 1918-April 6, 1919, as Children's Year, because the second year of the war should be marked by determined nation-wide effort on behalf of childhood. National security demands the protection and education of childhood. Because of the foregoing facts a meeting of elementary superintendents was called last Sunday, when it was decided to observe the week May 5-12 as Children's Week in Polk township. There will be sermons by the pastors, a visiting campaign. "Every Child in Polk township in a Sunday School" is the slogan for the week. A Wednesday night service conducted by the pastors and Sunday school superintendents, a mass meeting on Friday night, cradle roll and Mother's Day, Sunday, May 12. The teachings in the Sunday school are very important now for there our boys and girls learn of the Founder of Democracy and there His principles have a chance to become a part of their character, making them the finest citizens for this world and for eternity. The committee extends an earnest invitation to all persons interested in children to the meetings of the week. Everyone is needed to aid in the safeguarding of the next generation.

MRS. L. E. WHITE,
Elementary Supt. Polk Township.

GETS MYSTERIOUS MESSAGE

But After Washington Code Experts Puzzled Over It, It Was Found to be Teddy's Phonetic Idea

Washington, May 3.—What appeared to be a mysterious message conveying a solemn warning was discovered in the mail of Secretary of State Lansing recently.

The note was unsigned and the state department officials immediately suspected a Black Hand outrage. The note was sent down to the code experts and they labored in vain to evolve its meaning, using every known code.

Finally some genius suggested that the phonetic spelling system strongly advocated by T. R. be tried and the mystery was solved.

Here is the note. Try it on your vocal cords and see what you make of it.

"Pils al layk is dot royt Jenayte Estayts daklan vor on Ostery Unjar. Kollar (his governmen espektur) tolaman don en royt. Schi ain gilti."

OUR DEFENSE

In the spring we may be attacked at any moment. Toxic poisons pile up within us after a hard winter, and we feel "run-down," tired out, blue and discouraged. This is the time to put our house in order—cleanse the system and put fresh blood into our arteries. You can obtain an alterative extract from Blood root, Golden Seal, Stone and Queen's root, Cherry bark, rolled into a sugar-coated tablet and sold by most druggists, in sixty cent vials, as Dr. Pierce's Golden Medical Discovery. This blood tonic, in tablet or liquid form, is just what you need for "Spring Fever," for that lack of ambition. It will fill you full of vim, vigor and vitality.

Chilliness, when other people feel warm enough, is a sign of biliousness, or of malarial poisons—so is a furred or coated tongue, loss of appetite, headaches or giddiness, and a dull, drowsy, debilitated feeling. It's your liver that's at fault. You want to stimulate it and invigorate it with Dr. Pierce's Pleasant Pellets. With every trouble of the kind, these tiny little things act like a miracle. You can break up sudden attacks of Colds, Fevers, and Inflammations, with them. They'll give you *permanent* benefit for Indigestion, Constipation, Sour Stomach, Sick Headache, and Dizziness. They are small and pleasant to take, and the most thoroughly *natural* remedy. Twenty-five cents at most drug stores.

BOLCKOW P. O. IS ADVANCED

Is Now In Presidential Class—Department Orders Examinations to Fill Vacancies at Other Offices

Jefferson City, May 3.—Examinations for Missouri postmasters have been ordered at the following places to fill the vacancy at the offices stated:

May 24 at Springfield, for Callaway; at Ste. Genevieve, for McBride; at Leeper, for Bunker.

May 25 at Lebanon, for Phillipsburg and Swedborg; at Dexter, for Townley; at Springfield, for Battlefield; at Sikeston, for Matthews and Millborn; at Richards, for Wayland, at Kahoka, for Wayland.

May 5 has been designated at the date set by the war department by which Major Charles Gordon, U. S. A., retired, must report to the University of Missouri at Columbia as professor of military tactics. He will also act as quartermaster of the government property at Columbia.

Postoffices at Bolckow, Miller, Naylor, Mokane, New Florence, Steelo and Stoutland, Mo., have been advanced to the presidential class and vacancies in the postmasterships will be filled by presidential appointment in the future.

URGES MORE WAR GARDENS

They Will Undoubtedly Help to Solve the Problems of Food, Labor and Transportation

The Missouri division of the United States food administration and the agricultural extension service of the University of Missouri are urging more gardens and better gardens for Missouri. A recent letter from F. B Mumford, federal food administrator for Missouri, to county administrators says in part, "The necessity for increased garden production in providing more food, saving labor and relieving the railroads cannot be overestimated. It is believed that the fate of the war hangs on three factors: food, labor and transportation. The war gardens will undoubtedly help to solve these three problems.

"Every farm should have a home garden and should store, can and dry at least a sufficient quantity of fruits and vegetables for home use throughout the year. It is equally as important during the present emergency that town, city and suburban families plant and maintain home gardens."

The following publications have been issued especially for home gardeners: The Home Vegetable Garden, Station Circular 83, The Control of Garden Insects, Extension Circular 15, Drying Fruits and Vegetables, Extension Circular 23. Copies may be had free upon request by addressing the University of Missouri College of Agriculture, Columbia, Missouri.

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

Recipes to Conserve Wheat

By the United States Food Administration

Tested Recipe No. 4—COM. SUBSTITUTE MUFFINS

100% Wheat Substitute

Barley 50%	Oats 50%
1 cup milk	1 teaspoon salt
1 tablespoon fat	4 teaspoons baking powder
2 tablespoons syrup	1½ cups barley flour
2 eggs	¾ cups ground rolled oats

Add to the cup of milk, the melted fat, syrup and the slightly beaten egg. Sift the salt, baking powder and flour together. Mix in the ground oats. Combine the two mixtures stirring lightly without beating. Bake in a moderately hot oven (425 deg. F. or 215 deg. C.) for 20 or 35 minutes depending upon the size of the muffins.

CLEVELAND'S WASTEBASKET

Placed On Downtown Corner Catches Quantities of German "Trash"

Cleveland, O., May 3.—The most popular wastebasket and the largest in this city has been placed downtown and is daily receiving great contributions of "trash" and "refuse." It is called the patriotic wastebasket and into it the people are dumping hundreds of German books, pamphlets and song books daily. At first it was planned to hold a public bonfire of all the "refuse" collected, but permit for this was refused for fear that disorder might result and unwarranted attacks be made upon persons of German extraction who are truly Americans. Some of the books, it is thought, may be sent to Germany for use by Servian and Slav prisoners, who are allowed to read nothing that is not printed in German.

HOW A YOUNG GIRL SUFFERED

And Was Restored to Health By Lydia E. Pinkham's Vegetable Compound—Told By Her Mother.

Brooklyn, N. Y.—"I cannot praise Lydia E. Pinkham's Vegetable Compound enough for what it has done for my daughter. She was 15 years of age, very sickly and pale and she had to stay home from school most of the time. She suffered agonies from backache and dizziness and was without appetite. For three months she was under the doctor's care and got no better, always complaining about her back and side aching so I didn't know what to do. I read in the papers about your wonderful medicine so I made up my mind to try it. She has taken five bottles of Lydia E. Pinkham's Vegetable Compound and doesn't complain any more with her back and side aching. She has gained in weight and feels much better. I recommend Lydia E. Pinkham's Vegetable Compound to all mothers and daughters."—Mrs. M. FINORE, 516 Marcy Ave., Brooklyn, N. Y.

URGES MARKETING POTATOES

County Food Administrator Says Local Dealers Will Be Glad to Purchase Supplies From the Farmers

Have you any potatoes to sell?

Increase in the consumption of potatoes by 50 per cent has been proposed as a war measure. This country has a large surplus of potatoes which must be used before June 1 to prevent wastage. The wheat supply is constantly growing smaller. By using larger amounts of potatoes you can not only prevent waste of this valuable food, but you can also save the wheat which is necessary to send to Europe.

County Food Administrator F. P. Robinson says that local dealers complain that they are unable to secure supplies of potatoes and urges that farmers and others who have more than is needed for home use to bring them in and sell to local dealers.

The present price of potatoes is about one-half the price of a year ago, while other food commodities have increased an average of 30 per cent during the year. A bushel of potatoes will furnish the same energy value or working power to the body as 16 one-pound loaves of bread. Aside from this saving of food the American people can also save money by the greater use of potatoes. By using a bushel of potatoes in the place of 16 loaves of bread, forty cents can be saved. An extra potato eaten each day will save two slices of bread.

Former Maryville Man Visits Quitman.

Van Roberds, who was called from Washington, D. C., to Olathe, Kan., on account of the death of his mother, has been visiting in Quitman at the home of Mr. and Mrs. A. Johnston. Mr. Roberds was formerly connected with the Maryville Republican, and will be remembered by a number of Maryville people.

SEES WAR'S END IN VISION

Spiritualist Medium at St. Louis Convention Is Confident Her Predictions Will Come True

St. Louis, May 3.—The war is going to end July fourth of this year or next, with the kaiser crushed, according to a statement made by Mrs. E. B. Price, spiritualist medium attending the state convention being held in this city. Mrs. Price said she sees the kaiser in visions, kneeling as if in prayer, with a haunted look on his face, while our Sammies stand over him with smiles on their faces and waving American flags.

Mrs. Price has frequent visions of the war, she said. The German soldiers, marching through Belgium and France, keep her awake with their tramp, tramp of their goose-stepping and their muttered curses as they see inevitable defeat staring them in the face. Mrs. Price says she does not understand German, but some of the Germans swear in English and those whose curses come to her in German gives her the impression they are vile words, although she cannot understand what the words are.

Mrs. Price is confident her visions concerning the war are true, because ten years ago she had a vision predicting the present conflict.

Several other spiritualists at the convention have told of sending messages to soldiers via mental telepathy. Sometimes they get vibrations back from the soldiers, they said.

The convention will last through Sunday evening. A patriotic rally at which children will give an entertainment will be given Sunday afternoon.

Bevo is a great favorite in the Army Canteens, where none but pure, soft drinks may be sold. After drill or march, you are sure to see a long line of hot and dusty-throated soldier boys making a bee line for Bevo. They know that there lies complete satisfaction, full refreshment and pure wholesomeness.

At home or abroad—at work or play—between meals or with meals, you will appreciate what we have done for you in making this triumph in soft drinks.

You will find Bevo at inns, restaurants, groceries, department and drug stores, picnic grounds, baseball parks, soda fountains, dining cars, in the navy, at canteens, at mobilization camps and other places where refreshing beverages are sold.

OUR BOYS "OVER THERE" ENJOY TOASTED CIGARETTES.

Through the patriotism of the citizens of this country thousands of smoke kits are being distributed to American soldiers in France. Authorities agree that men in the trenches need cigarettes almost as much as food and munitions.

Doctors, nurses, and commanding officers all join in the demand which has awakened in this country a great movement to keep our boys supplied with smokes.

Millions of the famous LUCKY STRIKE Cigarettes are "going over" all the time. There's something about the idea of the *toasted* cigarette that appeals to the men who spend their time in cold, wet trenches and billets.

Then, too, the real Kentucky Burley tobacco of the LUCKY STRIKE cigarette gives them the solid satisfaction of a pipe, with a lot less trouble.

Do Not Get Careless With Your Blood Supply

Impurities Invite Disease.

You should pay particular heed to any indication that your blood supply is becoming sluggish, or that there is a lessening in its strong and vital force.

By keeping your blood purified, your system more easily wards off disease that is ever present, waiting to attack wherever there is an opening. A few bottles of S. S. S., the great vegetable blood medicine, will revitalize your blood and give you new strength and a healthy, vigorous vitality. Everyone needs it just now to keep the system in perfect condition. Go to your drug store and get a bottle to-day, and if you need any medical advice, you can obtain it without cost by writing to Medical Director, Swift Specific Co., 25 Swift Laboratory, Atlanta, Ga.
